EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Harold Fassnacht on 08-30-2005.

The application has been amended as follows:

In the claims:

Claim 3, line 8, after both recitations of "feet" insert --on opposing sides of the body--.

2. The following is an examiner's statement of reasons for allowance: Regarding claim 3, Arkin (US#3992805) discloses all of the limitations except for the bank including two front feet on opposing sides of the body and two back feet on opposing sides of the body. Moreover, Arkin discloses three feet, being viewed as elements 44,46,48, disposed on the same side of the body. Although it would have been obvious to one of ordinary skill in the art to modify Arkin by adding a fourth foot as duplicating the components of a prior art device is a design consideration within the skill of the art (In re Harza, 274 F.2d 669, 124 USPQ 378 (CCPA 1960)), it would not have been obvious to one of ordinary skill in the art to modify Arkin such that the bank included two front feet on opposing sides of the body and two back feet on opposing sides of the body.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. The applicant's argument with respect to the drawings filed on 03-16-2005 is persuasive, and thus the examiner has approved the drawings filed on 03-16-2005.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William L. Miller whose telephone number is (571) 272-7068. The examiner can normally be reached on Tuesday-Thursday.
